To All Competitors,

I would like to personally thank all of the members who attended our show this weekend; it has taken a lot of time and effort to put on this event for everyone. I could not have done this without the support of our generous sponsors listed in this catalogue that donated money, products and prizes to ensure we could put on a great show.

I extend the appreciation to all of the people who have donated their time over the weekend, our wonderful judges, our amazing photographers and last but not least our tireless volunteers who have given up their personal time not only this weekend, but in the months leading up to this show.

I hope to see you all again at next year event.

With Thanks,

Michael Towle
